WORK EXPERIENCE

Assistant Manager (Business Analyst – Data & Operations)

Feb 2022 - Dec 2023

Reliance Retail

India

- Designed and automated Power BI and Excel KPI dashboards for 1,600+ stores, increasing weekly performance visibility by 30% and enabling faster regional decision-making.
- Reduced reporting errors by 25% by implementing structured data validation protocols, standardized data cleaning workflows, and recurring reconciliation checks across reporting cycles.
- Partnered with 12+ store leaders and regional stakeholders to gather business requirements, translating them into measurable KPIs and delivering 10+ decision-ready performance reports.
- Drove in-store product availability from 45% to 88% by conducting root cause analysis on inventory gaps, identifying corrective actions, and aligning cross-functional teams on execution priorities.

Executive Project Manager (Business Analyst / PMO)

Aug 2020 - Feb 2022

Zydus Takeda Healthcare Private Limited

India

- Developed executive-level Power BI dashboards for budget forecasting and operational performance tracking, improving leadership planning accuracy by 15% through consolidated KPI reporting.
- Reduced reporting cycle time by 20% by standardizing data definitions and reporting templates across 6 cross-functional teams, improving data consistency for leadership review.
- Managed 25+ project milestones and dependencies using structured documentation, timelines, and action logs, achieving 95% on-time status reporting for senior stakeholders.
- Applied Lean Six Sigma methodology to identify process inefficiencies and document workflow improvements, contributing to a 10% gain in operational efficiency.

PROJECT EXPERIENCE

Sheridan College - Capstone Project (Leanacle Inc.)

Team Lead

- Led a cross-functional student consulting team in delivering a strategic analysis project, coordinating activities across 5 team members to ensure structured project execution.
- Planned project scope, assigned tasks, and tracked milestone progress through scheduled reviews, ensuring delivery of 100% project deliverables within the academic timeline.
